47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are a small business in West Oakland, CA. We used to have internet access through AT&T. When there was a problem, we could not get any help because the corporation is so big. We like working with a local service provider which provides personal assistance whenever there is a problem. As a small business, we cannot afford to be ignored by big service providers.
